## Part A - HEALTH INFORMATION:

Does the person being vaccinated have any of the following health conditions? ☐ YES, mark all that apply below ☐ NO

- ☐ Asthma (wheezing if under 5 years of age or others requiring daily preventative medications) or Lung Disease
- ☐ Heart disease
- ☐ Kidney disease
- ☐ Metabolic disease (including Diabetes)
- ☐ Weakened immune system (steroid therapy, under cancer treatment, HIV, etc.)
- ☐ Live with or expect to have close contact with a person whose immune system is severely weakened and who must be in a protective environment?
- ☐ Taking anti-viral medications (such as Tamiflu, Relenza, amantadine, or rimantadine)
- ☐ Persons under 18 years of age taking long-term aspirin treatment
- ☐ Received MMR, Varicella or live flu vaccine within the last 4 weeks

*If you checked "YES" to any of the health conditions listed above, you cannot receive the nasal FluMist; you may be eligible to receive the inactivated Fluvirin flu shot. Please answer the following four questions:*

- Is the individual being vaccinated currently pregnant or breastfeeding? ☐ YES ☐ NO
- Is the individual being vaccinated severely allergic to eggs or latex? ☐ YES ☐ NO
- Has the individual being vaccinated had a serious reaction to a previous flu vaccination? ☐ YES ☐ NO
- Does the individual being vaccinated have a history of a Guillain-Barre' Syndrome? ☐ YES ☐ NO

*If you checked "YES" to any one of the above questions, we cannot administer the Fluvirin Flu vaccine. You may be able to receive a different flu vaccine. Please consult with your doctor.*

## Part B - PREVIOUS FLU VACCINE INFORMATION: (Only if person being vaccinated is under 9 years of age)

Did your child under 9 receive a vaccination for flu last year? ☐ YES\* ☐ NO

\*If yes, how many doses of the flu vaccine did your child get last year? ☐ 1 dose\*\* or ☐ 2 doses (skip to Part C)

\*\*If only one dose last year, did your child receive a flu vaccine the previous year? ☐ YES (skip to Part C) ☐ NO

*If your child is under 9 years of age and has not previously been vaccinated for the flu with 2 doses of either the nasal mist or injection, they will need a second vaccination in 4 weeks.*

I hereby give consent for the second flu vaccine for my child under 9. Parent/Guardian initials here: \_\_\_\_\_

## Part C - WRITTEN CONSENT:

I have read the current Influenza Vaccine Information Statement (VIS) dated 7/2/2012 and understand the benefits and risks of flu vaccination. I also understand that this immunization will be recorded on the California Immunization Registry, which can be viewed by other healthcare professionals. I agree to these terms and consent to the administration of the flu vaccine.

If requesting this vaccine for a child under the age of 18, I hereby give my permission for the flu vaccine to be administered and certify that I am authorized to make this request. Parent/Guardian initials here: \_\_\_\_\_
