

Dear Parent / Guardian

As part of the Culver City Safe Routes to School Program, we are excited to bring our Bicycle Safety Workshop to Lin Howe during PE. **This special activity will take place on Friday, April 22 and Monday April 25.**

All 3-5 grade students will have the opportunity to participate in the workshop where they will be introduced to the importance of bicycle safety. Though participation is optional, we encourage you to take advantage of the opportunity by signing the attached waiver and returning it to your student's teacher by April 22. **A signed waiver is mandatory for participation.** Please be sure your child brings their bike or scooter, helmet and lock on Friday, April 22 and Monday April 25. *Note: If your child does not have a bicycle or scooter, a limited number of bikes and helmets may be available for their use.*
